Chimney Hill 4 & Eldridge Meadow

Chimney Hill MUD District has decided to make a change from Sheriff Deputies to Constable Deputies. This will occur on October 1, 2026, Thursday of this week.

There is no difference in cost between the two, just a change in personnel. We decided we needed quicker response times from our deputies and more communication between residents and deputies. This change should provide greater visibility as deputies will be based in the District Office & Community Center. I am assured that we will be getting these improvements from the head Constable. We will continue to have three shifts, with each deputy getting two days off per week.

What will change, permanently is the dispatch telephone number. The new Constable Dispatch number is 281-463-6666. There should be no calls to Coats Rose Law Office. If property managers field calls from residents they are to direct them to the dispatch number stated above. There is no need to contact HOA Board members. This number is for all residences and businesses covered by the security of Chimney Hill MUD District.

In most cases, the dispatch personnel will determine emergency versus non-emergency calls. The managers of each subdivision can decide if any further action should be explored. Of course, you can always call 911 for emergency.
