**Notice to Residents – Law Enforcement Services in the District**

Harris County MUD No. 480 has entered into an agreement with Harris County to provide dedicated law enforcement support in our community. Beginning October 1, 2025, a deputy constable from Harris County Precinct 4 will spend a majority of their time patrolling and providing law enforcement services within the District. This includes crime prevention, investigations, and general community safety efforts.

The agreement will remain in place through September 30, 2026, ensuring consistent coverage and added security presence in our neighborhoods. We are pleased to share this update and look forward to the continued safety and well-being of our residents.

—Board of Directors, Harris County MUD No. 480

**Law Enforcement Services – FAQ**

**What is happening?**
Harris County MUD No. 480 has entered into an agreement with Harris County to provide dedicated law enforcement services within the District.

**When does this start?**
The agreement begins **October 1, 2025**, and continues through **September 30, 2026**.

**Who will be providing the services?**
A deputy constable from **Harris County Precinct 4** will be assigned to the District.

**What will the deputy do?**
The deputy will devote most of their working time to:

- Patrolling neighborhoods
- Responding to calls
- Conducting investigations
- Supporting crime prevention and community safety

**How will this benefit residents?**
Residents can expect increased visibility of law enforcement in the community, quicker response times, and enhanced safety coverage throughout the District.

**Who is paying for this?**
The District is funding the service as part of its commitment to public safety for all residents.

**How long will this last?**
The current agreement is for one year, but the Board will review it annually to determine whether to renew or adjust the program.
