EXECUTIVE SUMMARY

During October 2026, Global Axis Security deployed its COPS Select Program—Certified Officer Patrol Services—to provide a visible, enforcement-focused presence within MUD 220. Off-duty Texas peace officers delivered 120 patrol hours during the midnight–6:00 a.m. deployment window, five days per week. Across October's 744 calendar hours, this represents 16.13% scheduled law-enforcement patrol coverage. Operations prioritized resident safety, suspicious activity response, vehicle compliance, and targeted enforcement, with documented contacts and follow-up activity supporting community accountability.

01 / SECURITY & INCIDENT STATISTICS

INCIDENT CATEGORY	OCTOBER 2026
Suspicious Person / Vehicle Checks	**18**
Disturbance Calls	**7**
Theft / Property-Related Reports	**2**
Vehicle / Traffic-Related Incidents	**14**
Welfare Checks	**4**
Other Security Calls / Noise Complaints	**8**
TOTAL INCIDENTS / CALLS	**53**

Operational interpretation: Incident categories summarize documented calls and security-related matters addressed during October. They should not be interpreted as 53 distinct criminal offenses.

02 / PARKING & VEHICLE ENFORCEMENT

Vehicle compliance remained a primary enforcement priority, with attention directed toward unauthorized parking, abandoned or disabled vehicles, community parking restrictions, and repeat violations.

ENFORCEMENT ACTIVITY	OCTOBER 2026
Parking / Vehicle Violations Observed	**42**
Written Vehicle Citations	**17**
Warning Notices Issued	**24**
Vehicles Towed	**12**
Abandoned / Disabled Vehicle Investigations	**11**
Repeat Vehicle Violations	**6**

Enforcement efforts are intended to improve compliance, preserve access for residents and emergency vehicles, and reduce recurring parking-related concerns. Enforcement measures may overlap and should not be added together as distinct cases.

03 / COPS SELECT PATROL & COMMUNITY ENGAGEMENT

PATROL ACTIVITY	OCTOBER 2026
Resident / Complainant Contacts	**19**
Common-Area Inspections	**72**
Follow-Up Investigations	**9**

Operational assessment: COPS Select deputies prioritized visible overnight law-enforcement patrols, residential and common-area monitoring, resident assistance, and follow-up on reported security concerns.

04 / COPS SELECT ENFORCEMENT & COMMUNITY IMPACT

The inaugural month of the MUD 220 COPS Select Program established a disciplined, enforcement-focused law-enforcement presence. The 120 patrol hours concentrated visibility during the midnight–6:00 a.m. period, when deterrence, early intervention, and timely response are especially important.

COPS Select Visibility: Uniformed off-duty Texas peace officers provided a recognizable law-enforcement presence during assigned overnight patrol hours.

Consistent Vehicle Enforcement: Identification of unauthorized vehicles, abandoned vehicles, and parking restrictions.

Accountability for Repeat Violations: Follow-up investigations and appropriate enforcement action.

Citation & Towing Enforcement: Issuance of citations and removal of qualifying vehicles when legally authorized.

Resident Communication: Direct resident contact, complaint documentation, and follow-up.

Community Coordination: Communication with community representatives regarding recurring concerns.

FIRST-MONTH PROGRAM IMPACT

The inaugural reporting period demonstrates a visible law-enforcement deployment supported by documented enforcement actions, resident contacts, and follow-up investigations. The COPS Select model combines targeted overnight presence with professional discretion and accountability; the 120 deployed hours account for 16.13% of October's total calendar hours.

Deputies maintain a firm, consistent enforcement approach while exercising appropriate professional discretion and complying with applicable laws and departmental requirements.

05 / OVERALL ASSESSMENT & OUTLOOK

MUD 220's October COPS Select operations reflect a focused commitment to proactive enforcement, targeted overnight visibility, and community accountability. The program delivered 120 patrol hours across a 744-hour calendar month, or 16.13% of available monthly hours. Continued deployment, consistent enforcement, and communication with community representatives will support assessment of emerging patterns and future coverage needs.

PRIMARY OBJECTIVE Maintain a safe, orderly, and secure community through professional, visible, and consistent law-enforcement operations.

Respectfully submitted,

GLOBAL AXIS SECURITY
